

SHORT SKIP

Sun City Amateur Radio Club, Inc.

Sun City, Arizona 85351

May 1982

The final meeting of the Sun City Amateur Radio Club before the summer recess of June, July and August will be held on Tuesday evening, May 18th at 7:30 p.m. at the Fairway Recreation Center. The program for the evening will be presented by Gary Pickard, WB7VIW, who has made a visit to the little country of Nepal, located between India and China, to visit with famed DX operator, Father Marshall Moran, 9N1MM. Father Moran has been a teacher in a native boys school in this far away scenic country of Nepal. Many of us met Father Moran a few weeks ago at a Thursday luncheon meeting when he was the guest of Edward Blaszczyk, N7EB, who has been his QSL manager for many years. This program is beautifully illustrated and should be of interest to all. Bring your wife to this final meeting of the season. She will enjoy this presentation.

Many members of our radio club will be away from the Sun City area during the summer months. We hope to maintain communications with Sun City hams through the following frequencies, days and Sun City times (MST).

| | | |
|-----------------------|---------------------|----------------|
| 7230 | Monday and Thursday | 9:15 a.m. MST |
| 14295 | Monday and Thursday | 10:15 a.m. MST |
| 21390 ³⁸⁰⁰ | Monday and Thursday | 11:15 a.m. MST |
| 28635 | Monday and Thursday | 12:15 a.m. MST |

When going away from Sun City during the summer months be sure to bring with you your Sun City Amateur Radio Club Roster with addresses and telephone numbers.

Attendance to the Thursday noon luncheons at Ritters has been very good. These weekly informal get-togethers will continue during the summer months of June, July and August even though we have no regular monthly of the club.

Lois Martin, who won a door prize at our Ladies Night Banquet, would like to offer it for raffle at the regular May meeting of the club. It is the most recent 1982 edition of Foreign Call Book to the highest bidder, proceeds to the club treasury. DX operators bring money.

Best wishes to John Garrison, W8FGD and Rudy Barber, W7LTX. Both have had quite a stay at Boswell Hospital and may they have a rapid return to health.

Floyd Emanuel will renew your membership to ARRL with \$2.00 of the amount going to the club treasury. If Floyd is away call any club officer.

Chuck Bailey, W7YU, is back from motor homing in New Zealand and we hope he can give us an illustrated program on his visits with New Zealand hams. Carl Moore, W7YQ, should also be back from Australia. Several of us Sun City hams worked him from Tasmania ham, VK7OW. Great fun!

Regular monthly meetings will be resumed on the 3rd Tuesday evening of September. This September 21st meeting and the October 19th meeting will be under the direction of vice president Chuck Baily, W7YU. Eva Karnatz will continue as editor of Short Skip.

Maricopa County

Eva Karnatz, ex KA7BMH, now has a new call-KC7RY

Visitors at the Thursday luncheon meeting have been, Mr. and Mrs. Ray Sumner who are the parents of the newly appointed general manager of the American Radio Relay League. They are now residents of Sun City and Ray has become a new member of our radio club. Another visitor recently was W5QNT, William "Dit" Ditmore, Aztec, New Mexico who was a guest of Stan, W7PD.
