October 1982

THE OCTOBER MEETING of SARC will be held on FRIDAY, Oct. 15 at Fairway Recreation Center at 7:30 PM. Please note the change in meeting day for this month. This was done in order to bring you a very special program. We are privileged to have as our featured speaker Mr. David Sumner, K1ZZ, General Manager of ARRL, who will talk to us about the latest activities at ARRL headquarters.

Let's have a big turn-out for this meeting to greet Dave, who, while in Sun City to visit his parents, Mr. & Mrs Ray Sumner, is honoring our Club with this program.

CAR POOL YOUR HAM NEIGHBORS who don't drive at nite and bring them to the meeting.

RENEW YOUR ARRL MEMBERSHIP through Floyd, K7BN, (977-6587).

THE 2m CLUB NET meets at 7:00 PM each Wednesday on 147.57 Mhz Simplex and, through the efforts of Zeb, KM7L, features each week the latest in ham radio news on Westlink Tapes. During the absence of regular net control, WA7TMH, vacationing on a Caribbean cruise, the 2m net was ably handled by Jerry, K8NXN.

THE LUNCH BUNCH has been meeting informally at "Ritters" all through the Summer, with amazingly good turn-outs. When they were closed on Sept. 30, a dozen of the regulars met at Furrs Cafeteria and had a good time and good food there.

THE SUN CITY 20m & 15m NETS have kept many of our travelling and vacationing S.C. hams in touch with the home front on Mon. and Fri. W7YU and KC7RY have been faithful net controls, assisted by K9CCX, WA7YCG, WA7TMH and othees. Recently worked were K7DI/1 (New Hampshire), K7BQ/9 (Wis.), W7FPG (Wash.), WØKJM (Iowa), KB7HV mobilizing between Ohio & Ariz. and W7JHQ/KH6 (Hawaii). We are still looking for K7BN portable from JA or BY.

ELECTRONIC SWAPMEET (ham & computer) will be Sat., Oct. 16, 7 AM - 3 PM, at Edelweiss Chalet, 14th str. & E. Dunlap. For info call 863-3749 or 956-0265.

A WARM WELCOME TO THE MANY HAM TRAVELLERS returning to S. C. from cool Summer vacations.

MISC. NEWS:

During this Summers 115⁰ evenings a group of local hams and spouses had their third Italian dinner get-together at La Palermo's in Phx. The restaurant owners, Joe and Shirley, are both xtra class hams and serve great Italian food and pizza. Some of the pasta lovers were W7JHQ, K9CCX, KBØPK, K9IHV, WAØFSX, W7MAJ, KC7RY, KA7BOK, W7XY.

Another group of hams, spouses and friends enjoyed a fun luncheon of pizza and Betty Gould's organ virtuosity at the Organ Stop Pizza. Some of those still licking their fingers are W7LTX, W7KEL, W7LRH, KA7BOK and KC7RY.

Wally, W1AA, injured his hand while working unaided on his tower and wound up with 16 stitches embroidered on his hand at the hospital. Glad to hear it's healing. Best wishes to Cliff Knickerson, KA7OFI, recovering in Boswell Hospital.

Van, KBØPK, observed Dave Sumner, K1ZZ, at the Cedar Rapids ARRL Nat'l. Convention taking a speed code test at 56 wpm without even using ear phones!
