April, 1983

In place of the April meeting, SCARC will have it's ANNUAL LADIES NIGHT DINNER on Tuesday, Apr. 26, at CRESTVIEW RESTAURANT, on Johnson Blvd. in Sun City West.

No-Host bar starting at 6 PM, followed by dinner at 7 PM. Menu as follows:

Heart of Iceberg Lettuce, Tomato Wedge, Choice of Dressing.

London Broil au jus, Baked Potato, Green Beans Almandine.

Chocolate Parfait and Beverage.

Guest speaker for the event will be the well known personality, Chevrolet Dealer and ham, Lou Grubb, WA7HZO, who will present a program entitled "Take 5 with Lou." Topics will cover his interests in ham radio, art, politics and of course a bit about the automobile industry. Also on the program is a presentation of Music and Song by the sisters Aileen Castelli and Rea Winters, and door prizes for the ladies. Sounds like a real interesting evening. This event is open not only to SARC members and spouses but to hams in adjacent Valley communities and their families.

For reservations send your check for \$11.00/per person to our club treasurer, W.S.Dack, KA7OGN, 10130 Concho Cir., Sun City, Az. 85373. Deadline for reservations is Apr. 23.

If you can't get your check in by that time, be sure to call Ed, N7EB (972-2646) to count you in.

CAR POOL YOUR NEIGHBORS who dont drive at night and bring them to the dinner.

THE 2m CLUB NET meet at 7PM each Wednesday on 145.57 Simplex and features each week the latest in ham radio news on Westlink Tapes.

THE LUNCH BUNCH gets together informally at "Ritters" on Thursdays at 11:30 AM.

Recent guests were Ernie Schenk, W7SBM (Youngtown), Hal Teegarden, W7KIH (Phx.), Fred Braig, W9KD (Evanston, Ill.) Bert Davidson, W2G0B (Glendale) & Phil Wolsencroft, W8PBS, (Akron, OH.) Welcome back from the hospital to Zeb, KM7L; Roy, W7ZW; and Sidney, KA7OGN.

Congratulation to Ray Sumner, who is now licenced as KA7PQA.

The FAIRWAY FIN FAIR took place under clear and sunny skies and brought between two and three dozen amateurs and scads of visitors to the site where a low-band Heath station and a 2m FM rig were in operation for most of that day.

A Surprize Red Cross Emergency Drill, called on the spur of the moment by our Emergency Coordinator, Hokie, WA7TMH, brought close to 20 check-ins on 147.57 FM on Good Friday morning. By the way, congratulations to Hokie, who was just elected chairman of Sun Health Corp., parent Co. of Roswell Hospital. We hope that this big job will still leave him enough spare time to get on the air and to club activities with us!

BUS TOUR TO PALO VERDE NUCLEAR FACILITY - MAY 3, 1983.

Bus will leave from Kings Inn Parking lot at 9:00 AM, and return about 1:30 PM. Bring your own box lunch, if you like; there is no food service available at the site. As of last week there were still seats available. So call Ed, N7EB, (972-2646) for reservations. There is no charge, and you need not be a Club member or Sun City resident.
