February, 1983

The FEBRUARY MEETING of SCARC will be held on Tuesday, Feb. 15, 1983 at Fairway Recreation Center at 7:30 PM. Our program will be presented by the Commander of the "Silverwings", Howard Russell, W7HHC, who at 83 is the youngest member of this organization of WWI pilots in Arizona. His subject will be some of some of his wild experiences as a pilot in WWI, flying planes with open cockpits, without chutes and with only a few basic instruments; truly one of the "Astronauts of the Stone Age".

CAR POOL YOUR HAM NEIGHBORS who don't drive at night and bring them to the meeting.

CLUB DUES of \$4.00 are due at the Feb. meeting for the 1983 year. To renew your membership by mail, send your check to our treasurer; W. S. Dack, KA70GN, 10130 Concho Cir., Sun City, 85373. Your dues must be paid up by Feb. 28 latest, to be included in the '83 roster and to receive "SHORT SKIP".

THE 2m CLUB NET meets at 7PM each Wednesday on 147.57 Simplex and features each week the latest news in ham radio on Westlink Tapes.

THE LUNCH BUNCH gets together informally at "Ritters" each Thursday at 11:30 AM. It was good to see Cliff Slade, W7HIS, join the Lunch Bunch at Furrs Cafeteria on Jan. 13, and Dorothy and Bob Avery, WA7YMB, join the group at "Ritters" after a long absence; and welcome to guests F.B. Filley and Bob Sislock of S.C.W.

MISC. NEWS: Congratulations to John Barna who passed his Novice test and is now KA70UQ; and to Ray Sumner, who just passed his code test. Our heartfelt get-well wishes to John Mevius, WA7UXT, a former president of our Radio Club, who is in Boswell Hospital. We hear that he would appreciate cards (no visits) from his ham friends. Get-well wishes also to Roberta McDonald, xyl of Angus, KA7EUI, also in Boswell Hospital.
